### Précis

I am a Graduate Engineer in Computer Science and Engineering from Khulna University. Computer Engineers are such individuals with knowledge, imagination, and skill, and with a commitment to examine critically and put into action goals and values concerned for the betterment of the human being, who can use their talents to address divergent societal issues that shape day-to-day life. I have considerable academic knowledge on C, C++, Java, PHP, C# and SQL programming language also have Database and Networking concepts both theoretical and practical. On the part of my personal virtuosity in interpersonal communication and assimilation capabilities with my surroundings, I accept to desire, and deserve, for employing my strong cognition in order to work for grass root level articulation, advocacy and representation of community interests in the mainstream decision-making and planning process.

### Career Goal

Getting a secured position where my qualities of a fast learner and the ability to take on new challenges can be used. Intelligent, creative software engineer with motivation and enthusiasm seeking a development position in a challenging and dynamic environment with the opportunity to attain a role capable of influencing the design and architecture of a software product.

### Educational qualification

#### Masters in Computer Science and Engineering (appeared); Khulna University, Khulna-9208

- Masters in Computer Science and Engineering (CSE), School of Science, Engineering & Technology, Khulna University, Khulna- 9208.
- Degree brief: Masters in CSE is a professional 2-year graduation which requires 36 credit hours to be completed.
- CGPA (Cumulative Grade Point Average): 3.69 in a 4.00 scale.
- Passing Year 2016

#### Bachelor in Computer Science and Engineering, Khulna University, Khulna-9208

- Bachelor in Computer Science and Engineering (CSE), School of Science, Engineering & Technology, Khulna University, Khulna- 9208.
- Degree brief: CSE is a professional 4-year graduation which requires 163.5 credit hours to be completed in a 4-year (8 terms) time period.
- CGPA (Cumulative Grade Point Average): 2.69 in a 4.00 scale.
- Passing Year 2012

**Higher Secondary Certificate (2004), Government Bangla College, Mirpur, Dhaka**

- Board: Secondary and Higher Secondary Education Board, Dhaka. ■ Group: Science
- GPA attained: **4.00** (in a 5.00 scale)

**School Secondary Certificate (2002), Tejgoan Government Boys High School, Tejgoan, Dhaka**

- Board: Secondary and Higher Secondary Education Board, Dhaka ■ Group: Science
- GPA attained: **4.25** (in a 5.00 scale)

**Academic Research**

I have enjoyed the flavor of self-managed action research on pursuing action research for the fulfillment of my CSE (Bachelor of Computer Science and Engineering) Degree.

**Dissertation (2009)** A New Bangla Text Corpus Building Method for Efficient Information Retrieval.

Published in IJCIT (International Journal of Computer and Information Technology), July- 2010, Manuscript code: 100708.

**Career/ Professional Attainments****Internship:**

**Position:** Internship Student

August 04–25  
2008

**Organization:** Bangladesh Atomic Energy Commission, Institute of Computer Science.  
Atomic Energy Research Establishment- Gonakbari, Savar, Dhaka.

(3 weeks  
attachment)

**Project: "AERE MEDICAL CLINIC MANAGEMENT SYSTEM".**

**Job responsibilities:**

Developing Database Management System for AERE medical clinic (Using Visual C# .Net with SQL Server 2005 Express Edition and design 3-Tire Architecture).

**Full Time Job:**

**Position:** Senior Software Engineer

December, 2011  
To present.

**Organization:** Pranon Pvt. Limited.

**Website:** <http://pranon.org/>

**Job responsibility:**

Developing and maintaining WordPress Theme and Plugin for Themeforest accounts.
